

Ngunyi Yannick Lechedem

Medical Doctor | Web Designer | Digital Entrepreneur | Clinical Researcher

Ngunyi is currently a medical doctor (MD) at Mbonge District Hospital, Cameroon, and media coordinator of LEBIAMEDS (lebiameds.org), a health-oriented NGO, where he helps facilitate health care delivery in rural Cameroon. He also doubles as a digital entrepreneur, web designer, founder of camerservices.com (a Cameroonian business/job directory), and team member of the Pan-African telemedicine platform, WellCam (wellcam.net). Passionate about design driven entrepreneurship, clinical research and public health.
